About Us

We are Shadow Lake families, faculty, and staff who are committed to our student's success.

Our team of volunteers has three goals:

- Cultivating learning
- Building community
- Supporting staff

Volunteers needed

Volunteers are often the glue that holds a community together.

Volunteering allows you to connect to your community and make it a better place.

Even helping out with the smallest tasks can make a real difference

We use Sign Up Genius to keep track of events and volunteers. Please, sign up there.
