Tiger Families and Community,

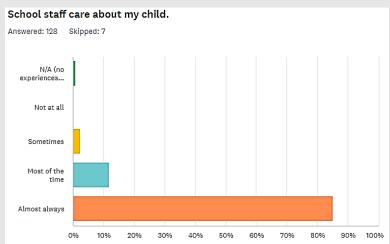

Happy New Year! I hope that you enjoyed a wonderful, healthy, and restful winter break. In December, it was wonderful learning about all the holidays and traditions that your families celebrate with your children. Our staff welcomed back students last week and it has been good getting back in routines and revisiting our Tiger Way expectations around the campus.

Thank you so much to those of you that participated in our climate and culture survey this fall. We appreciate and act upon your feedback. We received a summary of the questions and copies of all the individual comments. Our points of strength included families and students feeling welcomed at our school, students feeling safe at school, that our staff cares about your children, and that over you have high satisfaction with our school. We strive to live up to our motto – "World's Greatest Elementary School" – every day.

The areas that we need to work on include: Your voices being valued at our school and that the staff effectively address incidents with students. We will be reaching out to families in the new year to solicit more specific feedback in these areas so that we can improve.

With Tiger Pride,

Kellie Christiansen
Principal, Shadow Lake Elementary

Benefits of strong school attendance letter and resources here

We understand there will be tardies and absences for these illness and other things, but we cannot stress how important it is for students to at school and on time and every day.

Attendance ABC's:

- Kids can be dropped off at school starting at 8:25 am
- Kids must be in their seats by 8:40 am when the bell rings.
- Students arriving after 8:40 am must be accompanied by a parent when checking in at the front office (no dropping off).
- For all attendance notes/ end of day changes, call 425-413-6100 or e-mail sloffice@tahomasd.us.
- Attendance letters are sent out for those with chronic tardies and high absence numbers.

We also want to recommend not planning any vacations outside of the district scheduled times as they truly disrupt the learning process.

As always, if you have any questions regarding attendance, please do not hesitate to call. Thanks!

ART / STEM SPECIALIST NEWS- from Liz White

Art News

Our art semester concludes at the end of this month, but we are engaging the art elementslines, shapes, color, texture, space, and value exploration until parent-teacher conferences when a portfolio of your son or daughter's art will come to you!

Enjoy a sampling of our latest artist creations: 2nd grade Hundertwasser Abstract Selfies and 5th grade Foil Gesture Figures demonstrating form on display in our library!

EXTERRACYCLE STRONG!

Thank you for continuing to send in used: tooth-brushes, floss containers, empty toothpaste tubes of any brand for the Colgate brigade, as well as Kroger or Fred Meyer Simple Truth soft plastic packaging and we have added Entenmann's Little Bites pouches. We send these waste items to TerraCycle and earn a bit of money for our school while TerraCycle makes new products! Look for a tub outside the SLES front office to make your drop! Thank you for collecting!

P.E. SPECIALIST NEWS- from Matt Rene and Sarena Nau

SLES Bowling:

Bowling was AMAZING in December!! We and the kids had so much fun learning together and working on our skills. We saw a huge improvement in skills during the unit as well as a ton of excitement. SO MANY STRIKES AND SPARES!! Great job TIGERS!

Upcoming Units: Basketball, Fun Games and Floor Hockey

We're starting off the first week of January with some games all the students know as to focus on gym and game expectations. We will then transition into our 2-3 week basketball unit. Students will not only learn dribbling, shooting, and passing skills, but will also learn a few shooting/dribbling games. During conferences we have a shortened class time so we will be doing an array of fun activities. In February we will be starting our floor hockey unit which is always a fan favorite. We're really looking forward to the next couple months!

GENERAL P.E. ANNOUNCEMENTS:

Photos Needed: We have received more photos but please send in a photo of your child doing a favorite physical activity if you have not already. It does not have to be a sport- anything your student likes to do to stay active works great; it is for our Active Tigers board! Photos can be brought in to school with your student, or emailed to Mr. Rene at mrene@tahomasd.us or Mrs. Nau at snau@tahomasd.us

What to Bring/Wear to P.E.: It is getting cold! Please remind your student to dress appropriately for P.E. as much as possible on P.E. days. Coats should be brought to the gym every day. Even though it is cold, on those nice sunny days we still like to get outside. Shoes that are comfortable for running/activity will help keep your student safe and able to do all P.E. activities. They are also welcome to bring a water bottle to P.E.

Thank you! ~ Mr. Rene and Mrs. Nau , P.E. Specialist Teachers
