“The greatness of a community is most accurately measured by the compassionate actions of its members.”

–Coretta Scott King

Welcome to Shadow Lake, the World’s Greatest Elementary School. The Tiger Pride, our students, families, and staff exhibit is a showcase of the care that our community has for the learning experiences our Tigers receive each day in their classrooms. Families are at the core of what makes Shadow Lake a special place, and the ownership that we take in the education of our children is the cornerstone of what builds our community. As we work together to continue fostering the already rich past this community has, we are influencing a future of opportunities and possibilities that will enrich the lives of our students and families for years to come.

We believe with all of our heart that Shadow Lake is the World’s Greatest Elementary School. Our staff is here to ensure that our student’s academic, social, emotional needs are met through the culture that we create within our community, as we all take responsibility for each student’s success. I encourage you to reach out and let me know what I can do to support our Tigers each day. My door is always open and I am always an email away.

With Tiger Pride,

Scott Mitchell
